

Dear Parents/Guardians,

Welcome to the 2020 fall sports season!

Although the season is starting later than usual this year, many of our coaches and student athletes have been active in voluntary summer activities for the past several weeks, participating in conditioning, individual skill development, and team oriented drills. We thank all the coaches who volunteered their time this summer to provide this unique opportunity for our programs.

The Maine Principals' Association has announced that the fall sports season will officially begin on September 8th with pre-season and the opening of the season being September 18th. Practice times will be after school, and staggered to limit the number of student athletes in the locker rooms at a given time.

Boys Soccer: 4:30- 7:00

Cheering: TBD

Cross Country: 3:15- 5:00

Field Hockey: 3:30-5:30

Football: 5:00-7:30

Girls Soccer: 3:00-5:00

Golf: at Foxcroft Golf Club, time TBD

This fall sports season will look different than in recent years, with the leagues statewide currently working to plan regional schedules in all sports. As always, our main focus will be to provide a safe environment for our student athletes to practice and compete in.

During this time that seems to present us with a lot of unknowns, you can be sure that to the best of our abilities the tradition of Foxcroft Academy providing opportunities to build character, develop sports skills and forge lifelong relationships will remain steadfast.

Sincerely,

Jaclyn Tourtelotte ATC
Interim Athletic Director
