

Recommended Supplies

2020-2021 School Year

Subject Area	Recommended Supplies
All	<i>Charged iPad with all software updates applied.</i>
English	Notebooks, pens, pencils, and paper on a daily basis.
Mathematics	Writing utensils and a notebook and/or binder. Students are recommended to have a scientific calculator for required courses. For students interested in taking advanced courses a graphing calculator is recommended. Students taking Geometry may want their own compass, protractor, and ruler.
Science	Ruler, protractor, pens, pencils, paper, and a notebook. A scientific calculator (TI - 30X IIS) is a must or TI 83 or TI 84 Plus graphing calculator if considering higher math and science.
Social Studies	Notebooks, pens, pencils, and paper on a daily basis.
World Languages	German: notebook, paper, pencils and pens Latin: Three-ring binder with 5 dividers, pencils and pens Spanish: Three-ring binder, pencils and pens
Health & Physical Education	Health - a notebook to write notes, pens, pencils, and a folder in all classes. PE/PF - a change of proper clothing: t-shirt, athletic shorts, socks, and sneakers.
Industrial Technology	Work-appropriate clothing and footwear, a positive attitude, and motivation!
Visual Art	Art - two pencils, poster board or cardboard for portfolio, plastic shopping bag (ex: Shaw's, Shop & Save), and an iPad stylus (cost is approximately \$3). Digital Photography - a flash drive (1 or 2 gigs is fine - cost is about \$6), a camera memory card (cost is about \$8), signed safety/permission sheets handed out on first day. <i>Flash drive and memory cards will be available to purchase at cost through the teacher.</i> Ceramics - plastic shopping bag (ex: Shaw's, Shop & Save), a green scratch pad (usually for dishes), a bath towel, \$10.00 materials fee. Intro to Airbrush - \$5 materials fee.
Performing Art (Music, Film, Theater)	See teacher for details.
Jobs for Maine's Graduates	Writing utensils.
Special Education	Supplies are provided as needed.
