
SCHOLARSHIP FOR CIVIL ENGINEERING

The Maine Section of the American Society of Civil Engineers is pleased to announce one **\$2,000** scholarship for an outstanding high school senior who plans to have a career in civil engineering. The recipient will be selected based on: academic performance in high school, participation in extracurricular activities, letters of recommendation, and statement of interest in civil engineering. The recipient may use the scholarship to defray the cost of his or her first year of study at the University of choice. Applicants must be Maine residents. The Student must show proof of enrollment in a four year ABET accredited Civil Engineering program before the check is issued. We will hold the scholarship up to two years if necessary until a Civil Engineering major is declared.
